

New Glades General Hospital

Expanded Services

"We have obtained additional equipment, better equipment and in most cases the most modern that science has come with," says Administrator Saunders.

"We have the room, the equipment and are assembling the staff to give our citizens Service with a Big S, the Administrator continues, "and we will give BETTER service."

The X-RAY just installed has twice the power of the old one, and is equipped with the latest controls and operating paraphernalia.

There is a radiologist available at all times, with facilities for emergency needs.

Oxygen is available in each room from a central storage.

Any patient may buzz the nurse's desk and talk directly with her through the intercom system.

A paging system, coupled with an information board allows any doctor in the hospital to be immediately contacted.

There are two fully equipped operating rooms and 2 recovery rooms. There are also two examining rooms.

Two delivery rooms, in the obstetrical ward.

Two emergency rooms are available at convenient stations.

The pediatric ward has special facilities for its demands.

There is in the basement a generator capable of furnishing power for the entire hospital in case of emergency. Some new hospitals have supplied only partial electrical emergency stand-by.

Plans are being considered for the conversion of the old hospital building and facilities into some 50 beds, with the same type of service offered in the new building.

In 1939 Migratory Hospital Was "A Gift From Heaven"

Glades folks materialized conversation concerning a hospital into legislative authority in 1939 with the establishment of a unit of taxation known as Western Palm Beach County Public Hospital District, which included everything west of Range 39, a north and south line near Twenty Mile Bend.

Authority to assess a tax not to exceed ten mills was given, and the first recorded millage assessment was at 1.75, apparently around 1943. Then came 2.23 mills, five and finally 8.25 mills were assessed in 1948 when both Pahokee and Belle Glade had operating hospitals under the same Board. The district's total assessed taxable valuation in '48 is recorded as \$13,136 million.

In 1940 the newly formed taxing district took over the operation of the Everglades Memorial Hospital. Assets of the hospital were listed at \$10,628, most of which were "collectibles" and a few pieces of equipment. A red figure indicated overdraft where "cash on hand and in banks" is usually found.

With board members from Lake Harbor to Sand Cut over the years fighting to keep the finances of the hospital going, the light of day was visible when the government decided to abandon its operation of the Migratory Hospital at Belle Glade.

Claude Pepper's name appears frequently as the negotiator with Washington, and his telegram announcing the actual transfer is recorded in the minutes of those days.

Washington Bureaucrats in a death struggle with payroll day asked that the community offer to buy the hospital. Mrs. Ruth Wedgworth who was Chairman of the Board during the negotiation offered \$100, but there's no record of the check when she officially accepted the deed on July 29th, 1948, at a luncheon. The Board authorized the operation of the Migratory Hospital on June 30th, 1947 under a special permit from

USDA, with the expressed purpose of using the Pahokee hospital as an emergency clinic.

On June 30th, 1958 minutes of the Hospital Board indicate that Mrs. Ruth Wedgworth submitted her resignation due to "appointment to the PB County Board of Public Instruction."

Due to the fact that she had been prominent in negotiations and final consummation of the acquisition of the "migratory Hospital" the Board designated her as recipient of the deed at a formal occasion.

By unanimous action of the Board she was made an ex-official member of the Board.

Her years of work for the ill and unfortunate of the Glades was followed by effective work towards bettering the educational privileges of the State's youth.

Demands dictated that the Pahokee hospital be operated finally also as a unit, which the minutes and budgets reflect.

The deed from the government provides that after twenty years July 29, 1968

the title to the property will become absolute in the Hospital District without restrictive clauses as to its operation.

The original establishment of the "Migratory Hospital" was a Gift From Heaven to the Glades! It's acquisition came when sorely needed, and it has served as a foundation on which the present plant is acquired.

The Do-Gooders of that day couldn't force the day of Medicare. Socialism and bungling bureaucratic poverty programs of their successors, or the Glades most likely would not today have reaped the benefit of the hospital or the labor centers.

Population expansion and medical needs brought about a division of the Glades area into the NORTHwestern and SOUTHWestern hospital districts in 1949.

In '51 an effort was made to combine the two districts again and build a common facility. But when the decision was put to the freeholders it was denied.

Today Pahokee has a

modern hospital ready to commence operation and Belle Glade — north and South areas of the Glades — has a facility that commands the pride of all medical professionals.

The Glades today has modern delivery rooms and equipment as contrasted to ditch-bank and "at home" space for bringing the newborn into competition for governmental favors.

Millage - - -

Isn't What It Was

Minutes of the old hospital board disclose that the first millage assessed back in the early forties was 1.75. This rate was gradually upped until the assessment was some 5 mills when both the Pahokee and the Belle Glade hospitals were first operated simultaneously.

The combined taxable assessment for the entire western half of the county was approximately \$13 million.

Pools Now Open For Weekends

Lake Shore and Municipal Pools will both open Saturday, August 28, for a new weekend schedule. Ronald Snyder, Supt. of Building and Grounds announced.

Hours will be 9 to 12 mornings and 1 to 5 afternoons on Saturdays, and on Sunday afternoons 1 to 5 o'clock.

Coach Crawford of Belle Glade High School will supervise Municipal Pool activities, replacing Richard Chappell who is enrolled in college.

Johnny Rutledge is still manager for Lake Shore Pool.

Open House Sunday Patient Service Begins Sept. 1

A program of formal Dedication will be observed Sunday afternoon at 3:00 P. M. in the new Glades General Hospital, with Board members participating along with ministers of the Gospel and other prominent citizens.

Two Qualify Wednesday

(Racey) PARRISH

KICKLIGHTER

Commissioners Farmer and Weathers each had an opponent to qualify Wednesday afternoon for the City Commission.

Racey Parrish, former Mayor and Commissioner for two terms opposed Aubrey Farmer from the North Borough.

Davis Kicklighter, Past Commander of the Legion will contest Mr. Weathers' re-election.

Both candidates state that they will have announcements concerning the race in the next week's issue of THE HERALD.

Principal Chas. McCurdy of the Lake Shore High School will join Dr. James Gray, Chief of the Medical Staff, and Mrs. I. L. Price, representing the Hospital Auxiliary, in responses to the Address of Welcome by Treasurer Ed M. Lively.

Representative Emmett Roberts will give the Address of the Day.

Vice Chairman Abbie Zumpf assisted by Harold Rabin and Murt Thomas will perform the ribbon-cutting rites.

The newly organized Pink Ladies will conduct guided tours of the Hospital, and the Auxiliary will serve refreshments.

On Wednesday, September 1, the new facility will open its doors for patients.

Mrs. L. Amerine Buried Monday

The community was shocked and saddened by the untimely death of Mrs. Marguerite Amerine, 44 of NW Ave. L, who passed away while having surgery last Friday morning at Jackson Memorial Hospital, Miami.

A native of Montgomery, West Virginia she had resided in Belle Glade for six years, coming here from Ft. Lauderdale. She had been active in the community as a member of Community Methodist Church, Xi Beta Gamma Chapter of Beta Sigma Phi Sorority, Woman's Club of Belle Glade and the Women's Auxiliary of Glades General Hospital.

Survivors include her husband, Lonas Amerine, with the Triangle Sod Co, two daughters, Miss Mary Leigh Amerine & Mrs. Leslie Amerine, of Belle Glade; her mother Mrs. H. B. Russell, one brother, Clifton Russell of Montgomery, West Virginia; two sisters, Mrs. Evelyn Martin, of Montgomery, West Virginia and Mrs. W. A. Stevenson, New Port News, Va.

Funeral services were conducted Monday at 2 p. m., at the Community Methodist Church in Belle Glade with the Rev. William R. Boland, pastor officiating. Entombment was in For-everglades Mausoleum Gardens.

Sorority sisters and their husbands attended the services in a group. Pallbearers were Doug Thompson, Dr. M. J. Luck, J. W. Mosley, Robert Hooker, William Graber and other Crawford.

Williams Funeral Home was in charge of arrangements.

Representing the Belle Glade Business and Professional Women's Club at the District 8 meeting held in Ft. Pierce at the St. Lucie Country Club and Villa were Mrs. Rosa Nash, Mrs. Juanita Croft, Miss Kathleen Rogers, Mrs. Ruth Be-finger, Mrs. Gladys Jones, Miss Vida Hardy and Mrs. Louise Ellis.

Brenda Sue Caldwell

Engagement Announced

Mr. and Mrs. James E. Caldwell, Jr., of 264 N. W. 9th St., Belle Glade, announce the engagement of their daughter, Brenda Sue Caldwell to Billy Ladon Tyler.

The bride-elect is a graduate of Belle Glade High School with the class of 1964. She is presently employed by Royal's Warehouse as a receptionist.

Mr. Tyler is the son of Mr. and Mrs. M. R. Tyler, 333 S. E. 3rd St., Belle Glade. He graduated from

Belle Glade High School with the class of 1964. He is currently employed by Bob Davis Buick. Wedding plans will be announced later.

Mr. and Mrs. Danny Barber, newlyweds, were recent visitors of Mr. and Mrs. Irvin Zumph and other friends in Belle Glade the past week. They were enroute to their home in Orlando from their honeymoon.

Rehearsal Dinner

Mr. and Mrs. Robert William Rasco entertained those participating in the Hollingsworth-Rasco wedding, at a rehearsal dinner in the church parlor, featuring a catered smorgasbord.

A pink and white theme was carried out in the table appointments and the place cards for 32. Mrs. Rasco used her own crystal candle holders and candles which decorated the tables. Fern and pink roses were centered down the tables and a beautiful arrangement of pink carnations, gladioli & roses graced the head table in a long low container. Pink wedding bells with glitter and also candles were used on the serving table. Another lovely arrangement was placed on the piano.

Mr. and Mrs. Don Fisher and family, Patricia, Michelle and Jackie flew to Corvallis, Oregon their former home to visit. They are expected to return the latter part of this week.

Dr. and Mrs. Clarence Kidder and children, Janis and John returned from a 10 day vacation in the Ocala National Forest.

Dr. and Mrs. Howard Hill and family spent the weekend at Ft. Myers Beach.

Mr. and Mrs. Perry Rigdon and family, Donna, Marion, Joyce and Sue enjoyed a few days vacation at McDonald's Villa, Riviera Beach. Mr. Rigdon joined them on the weekend.

From Birth... To Forevermore

The engagement of Miss Leah Poston of Belle Glade to Ronny John Wells, of West Palm Beach, announced this week, brought to light an interesting story.

Ronny and Leah had been Nursery roommates in Good Samaritan and after 19 years had met for the first time.

Leah began dating Ronny while attending Palm Beach Junior College.

With natural mother's instinct Mrs. Poston was interested in knowing all she could learn about this boy who is now to become a member of the family.

"All we really knew about this boy was that his father was a former West Palm Beach policeman," mother Betty explained. "And that he was several years younger than Leah."

After they had dated for two months, I started to put a few facts together.

Leah was born a Caesarian Section birth at Good Samaritan Hospital, so I was not in the maternity section. I remembered that after a few days in the hospital, I was moved into a room with a lady whose husband was a policeman, and her baby had been born by Caesarian section too. This intrigued me, so we checked with Ronny's mother. After we compared notes, we realized that this had been in the same room."

Paddle Queen Cruise Enjoyed By 10 Couples

Ten members of Iota Epsilon chapter of Beta Sigma Phi Sorority and their husbands enjoyed the Starlight Dinner Cruise aboard the Paddle wheel Queen out of West Palm Beach, on Saturday, August 14. This was the last social of the summer.

The chapter will hold its regular meetings on the second and fourth Mondays of the month beginning in September.

Anjima-Davis Vows Exchanged

Miss Helen Ruth Anjima became the bride of Frank Barrin Davis at the home of Mr. and Mrs. M. J. Rashley, 233 N. W. 14th St., Belle Glade Saturday evening Aug. 7. The 8:30 double ring ceremony was performed by Rev. U. W. Malcolm, pastor of Moore Haven Baptist Church.

The bride is the daughter of Mr. Helen Anjima, 1838 Sylvan Dr., Clearwater, Fla.

The bridegroom is the son of Mrs. Austine Davis, 708 N. W. 16th St., Belle Glade and the late Mr. Lowell Davis.

The bride wore a street length dress of white brocade taffeta with scooped neckline. Her headpiece was of white net accented with small flowers. She wore a single strand of pearls and carried a cascade of white carnations centered around a white orchid.

Mrs. Doris Kimbrell, matron of honor, wore a sheer blue dress. Her corsage was of pink carnations.

William Robert Davis served as his brother's best man.

A reception was held immediately following the ceremony. Mrs. John Prevatt and Miss Alice Rashley assisted in serving. The bride's book was kept by Miss Nancy Rashley.

The bride's table was covered with a white lace cloth over yellow linen. A crystal punch bowl encircled by fern and yellow

Luncheon Honors Miss Thompson And Bridesmaids

A luncheon for Miss Yvonne Thompson and her bridesmaids was given at noon Saturday, August 21st by her aunt, Mrs. J. Marvin Unwin in her home at Belle Glade.

The luncheon tables were laid with ecru lace cloths with yellow roses and white wedding candles. Floral arrangements on tables and throughout the home were done by a friend, Mrs. Mills H. Byron.

The combination salad & place cards were tiny dolls dressed in clothes fashioned as dresses used in the wedding. The skirts were made of gelatin with each doll holding the name of the guests.

Those present were: Yvonne Thompson, Pahokee, Miss Bonnie Chaplin, Miami; Miss Becky Mackey, Pahokee; Miss Donna Dericks, Cincinnati, Ohio; Miss Faith Sasser, Atlanta, Georgia; Palatka; Mrs. John Miller, Miss Mary Lou Varnedoe, Belle Glade; Debbie Unwin, Belle Glade; Mrs. Ellis Wilkinson and Anne Wilkinson, Pahokee; Mrs. Paul Rardin, Canal Point; Mrs. Charles Chaplin, Miami; Mrs. Joe E. Thompson, brides' mother of Pahokee; Mrs. John F. Furlong, the grandmother of Hialeah & the hostess, Mrs. J. Marvin Unwin.

The bride-elect presented her attendants with gifts.

Represents Church At Junaluska, N. C.

Mrs. John Dulany represented the Community Methodist Church at the annual Camp meeting and Conferences on Evangelism and Spiritual Life held at Lake Junaluska, North Carolina held recently.

Mrs. Dulany, is chairman of the commissions of Membership and Evangelism for this church year. She is presently in Hendersonville, N. C., where Mr. Dulany is employed during the summer season.

Mr. and Mrs. H. E. Bair enjoyed a two weeks vacation in Hampton, Virginia where they visited Mrs. Bair's relatives.

MR. AND MRS. JAMES LEE RASCO

Dinner Given For Out Of Town Wedding Guests

After the Hollingsworth-Rasco wedding, the bride's parents, Mr. and Mrs. F. E. Hollingsworth, Jr., were hosts at an open house and served a buffet dinner. The home was decorated with white wedding bells and

butterfly roses. Out of town guests attending were C. L. Todd, West Palm Beach; Mr. and Mrs. Henry Kurphansen, Tampa; Mr. and Mrs. Bester, N. D.; Miss Linda Nail, Mrs. Ruth Pedrick all of Clearwater; Miss Debbie Hollingsworth, Mrs. Elmo Hood, Mr. Wade Johnson, Scott and Kathy Johnson all of Miami; Mr. and Mrs. Earl Thomas and Dr. and Mrs. F. H. Henry, Lake Worth; Mr. and Mrs. Harry Baxter, Clearwater; Dr. P. Ellsworth, Henry, Wayne, Pa., Mr. and Mrs. Robert Rasco and Mrs. H. S. Lane of Barlow, Ky., Mr. and Mrs. Bob McGee, Orlando.

Jimmy Webster To Be Married In Nova Scotia

Jimmy Webster of Fort Lauderdale, accompanied by his mother, Mrs. Loraine Webster of this city, plan to leave by jet on the weekend of August 2 for Nova Scotia, Canada, where his bride to be Miss Gail Smith has been visiting her parents.

Mr. and Mrs. G. W. Smith at Digby. She left early last month, after resigning as an RN at Glades General Hospital.

The couple plan to be married in Digby on September 4, and following a honeymoon trip will return to Florida. Mrs. Webster will jet home shortly after the wedding.

Decisions," and Lee Cranford has charge of the study for the 7-8th grade group.

Meeting in the chapel for services after the study. Speakers have been listed for each evening. On Monday night Lloyd Prosser from West Palm Beach was the speaker from the Christian Business Men's Association; Tuesday night Bob Wilson of West Palm Beach spoke and Wednesday night Robert Baty, also from West Palm Beach, was the speaker. The speaker for Thursday night (tonight) is Rev. Lumpkin, associate pastor of Calvary Methodist church. The speaker for Friday night Rev. Ray Miller of the Alliance Church will present a film, following the banquet.

Youth Week began at Community Methodist Church on Sunday night with more than 35 young people attending. Jameson Hall was the scene of activities with a supper sandwich at 6:45. The program for the week of activities will continue through Friday and will be climaxed with a Youth Banquet. Each night a dinner is served followed by group singing, recreation and study, and ending in the Chapel with a guest speaker.

Study Sessions are in three groups making up M. Y. F. Mrs. Robert Hooker has the incoming 7th grade group. She instructs them in "New Methods in MYF." Mr. and Mrs. Roger Thiebaut are supervising the Senior group on the study "Making the Right

Monday night more than 50 young people were enjoying the recreation provided. Lee Cranford led the group singing and games were played with Mrs. Betty Kipper assisted by Mr. Cranford and R. S. Burr, each having a group. Rev. and Mrs. Boland supervised the recreation.

The boys and girls really enjoyed this part of the program. On Tuesday night the attendance increased with 60 being served supper and enjoying the recreation under Rev. Jack Ponce of First Baptist Church and Mrs. Goggans, Physical Ed teacher. Mr. Cranford led the folk songs for the evening.

Wednesday night a Hootenanny was held. More about that next week.

Sermon Topics

Mayor Williams Speak To Lions On Youth Prog.

Mayor LeBron Williams spoke on the Belle Glade City Youth Recreation Program, at the regular meeting at the Lions Club in the Community Center, Wednesday noon.

As suggested he gave an outline of what the program should do. An expert had given him a pamphlet and of course some of it would fit Belle Glade and some wouldn't. But the people were surprised to hear that some \$70,000 dollars had been spent on recreation the past year.

The best and only way that he could see what should be done is for some group to start a movement to get all the Civic groups and the churches to organize and appoint a committee and then go to the City Fathers and they will help them with this program.

Any one group cannot do it by themselves, it takes a combined effort of all of them.

Dedication Of Lutheran Educational Building

Lutheran Church Has New Look

In addition to the new building, the roof on the present structure was recovered and extended over the front of the church, and the front of the church was also painted. On the front of the Education Building, a red-wood cross hangs which is illuminated at night by dual flood lights. The building is completely air-conditioned by two large window units, and will be heated electrically. A covered walk-way is between the Education Building and the Church edifice, which is beautified by a rock garden and plants. Approximately 8,000 square feet of sod was donated by the Sunshine Sod Company for the grounds.

The contractors for the building were: Stuart B. Fuller, General Contractor; Glades Enterprises; Echols Collins Electric and Plumbing.

Installation Of Kindergarten Teachers Aug 29

Mrs. Dorothy Fuller and Mrs. Loreta Roseman will be installed as teachers in St. Peter's Lutheran Kindergarten during the regular morning worship service, August 29th. Mrs. Fuller will be the full-time teacher and Mrs. Roseman will be the substitute teacher. At this time, they will be charged with faithfully performing the duties of their office, according to the ability given them by God, to through their teaching, assist the parents in bringing up their children in the nurture and admonition of the Lord, in simplicity of heart, seeking only the glory of God and being an example both to the children, the congregation, and to the community.

All-County Roofing; Wall Plastering Company. The congregation of St. Peter's Lutheran Church would like to extend an invitation to all to attend our Dedication Service and to remain afterwards for the film-strip and fellowship supper.

The teachers will assume their responsibilities and start to perform them the following day as the first Kindergarten session of St. Peter's Lutheran Church begins with an Open House.

Everything come to him, who hustles while he waits. —Edison

Perfection is attained by slow degrees. It requires the hand of time. —Voltaire

Success is a matter of luck — Ask any man who fails.

I am always ready to learn, although I do not like being caught. —Winston Churchill

If I cannot do great things, I can do small things in a great way.

Men talk as if victory were something fortunate. Work is victory, whenever work is done, victory is obtained. There is no chance and no blanks. —Emerson

Tart words make no friends; a spoonful of honey will catch more flies than a gallon of water.

Doubt whom you will; but never yourself.

The way to wealth is as plain as the way to market. It depends chiefly on two words — industry and frugality. That is, waste neither time nor money, but make the best use of both.

Church Nursery Dedication Set

St. Peter's Lutheran Kindergarten will commence Monday, August 30th, with an Open House between 9:00 a. m. and 12 noon for parents, pupils, & visitors. A film-strip entitled "Children — Handle with Care," will be shown at 9:15 a. m.

The first regular day of Kindergarten will be held Tuesday, August 31st. The schedule for that day, as well as all subsequent days is as follows: 9 a. m. — Opening Devotions, 9:10 — Numbers; 9:30 — Alphabet; 9:45 — Free Time; 9:55 — Weekly Reader; 10:15 — Refreshments; 10:30 — Music appreciation; 10:45 — Nature Study and Science; 11:00 — Recreation; 11:15 — Seasonal Study; 11:30 — Bible Stories; 11:45 — Clean Up; 11:55 — Closing devotions.

This schedule will be held all year, with the exception of Thursday morning when a weekly worship service will be conducted by Pastor Roseman, at which time the parents and visitors are invited to join the children for 30 minutes as they worship their God and Saviour.

Registrations for St. Peter's Lutheran Kindergarten are still being taken at the Church Office (996-5658); Pastor's Home 996-6721; or teachers home (996-345).

Mr. and Mrs. Emil Wolf and daughters, Janet, Nancy and Jean, recently returned home after visiting with her parents, brother and other relatives in Indianapolis, where they had a family reunion before Mrs. Wolf's sister and husband left to return to Holland. They also visited Mr. Wolf mother and family in Peru, Indiana.

It is easier to do a job right, than to explain why you didn't. —Martin Van Buren

Nothing is so contagious as enthusiasm. It moves stones and charms brutes. It is the genius of sincerity and truth accomplished no victories about it. Bulwer.

The secret of success in life is for a man to be ready for his opportunity when it comes. —Selected

Mrs. Kinlaw holds intercom cord and displays the oxygen connection to each patient's room. Immediate two-way conversation is available to nurses' stations by patient.

Each room is double and has its own bathroom. Bed tables, utility tables and visitors chairs are a part of the equipment of each room. Adjustable features of the beds are standard equipment in each room.

July Work By City Departments

Class Of 1955

Enjoys Reunion

Everyone had a great time at the first reunion of the 1955 class of Belle Glade High School held in the banquet room of the Holiday Inn, Belle Glade. Walter Mosley (president) gave the welcome address and acted as master of ceremonies. Bettie Jo Daniel read the last will and testament; Rodney Walker gave the class history and Claude Crosby read the class prophecy.

As Mrs. Crosby read the class prophecy each member of the class stood and told what he or she is now doing, the number of children and anything else of interest about their personal life.

The class members decided after they enjoyed hearing about each other to have another reunion in 5 years in 1970 with Richard Sands, acting as chairman. Barbara Paul showed movies of graduation day; following the banquet dinner. Later everyone met for an evening of dancing and renewing of old acquaintances.

Mrs. Paul Kirchman and Mrs. Bob Cowart furnished floral arrangements for the tables.

Those attending from afar and near were: Jack and Arlene (Kirchman) Griffith, Houston, Texas; George C. and Janice (Thames) Gofforth, Belle Glade; Lillian Nash, Miami; Rodney Walker, Ft. Walton; Charles P. and Dorothy (Burns) Peacock, Ft. Myers; Connie (Perkins), e.g., Lufkin, Lake Worth; Lou Ann Austin, South Bay; Betty Jo (Hayes) and John Wilder Daniel, West Palm Beach; Don and Claudia (Phelan) Crosby, West Palm Beach; Kenneth and Mary Moring, Pahokee; Paul and Helen Miller, Belle Glade; Donna and Richard Sands, South Bay and Sister Joseph Marie (Jeanette Friedheim) Jacksonville, Fla.

Marion Institute in Marion, Alabama.

Kathleen Le Beau is working and traveling in Europe while staying with her sister, Captain Patricia A. Le Beau for 14 months.

This is not a complete list of the future plans of the graduates. Others not mentioned here are also attending colleges and universities or have already taken jobs.

DOUB FAMILY

Darlene Dupere will continue her studies at Tecca Falls and Danny Lanier is enrolled in Emory University. Given Gove and Mack Ward will enter Troy State College in Alabama with this year's freshman class. Cynthia Nutt is already attending classes at Auburn University where her sister, Johnnie, is a student. This past summer she and her parents Mr. and Mrs. J. R. Nutt joined Johnnie in Auburn where they attended classes. Syd Smith is another who started with summer session. He is a student at

CONSTRUCTION

The seven months of '65 produced slightly over half the total building permits as did the corresponding period during '64 — \$1,607,437 against \$2,986,736.

There were four homes given permit totaling \$72,710, and four apartments totalling \$56,160.

School classrooms accounted for \$15,000.

Inspectors' fee amounted to \$740.45.

SEWAGE TREATMENT PLANT

The flow for the month was 1.1 million gallons, with a 97 percent and 99 percent of suspended and settleable solids removed.

Water Department 36.79 million gallons of water was pumped to the mains.

85 meters were turned on and 92 were cut off.

A number of dead-end water lines were tied in; a 6" main from canal to NW Avenue D was completed; the 8" main on SE G was laid and dead ends tied in; 3/4" and 1" water lines in streets have been replaced.

LIBRARY. 1,867 patrons were registered at the library to boost the circulation of books and periodicals to 2,194; 82 new books were added to the library during the month.

FIRE DEPARTMENT. There were six fires during the month, four in buildings for a loss of \$25; two are listed as "other," with \$25 loss. Two of the fires were out before the equipment arrived; one used a hand extinguisher and three a booster hose. The department personnel inspected four places for the purpose of fire prevention.

POLICE DEPARTMENT. Of the 147 arrests made 130 were convicted, two given to the county, two to juvenile authorities; six were dismissed.

136 prisoners were fingerprinted, prints classified.

filed in the department and to the FBI.

There were 41 vehicles involved in accidents with damages estimated at \$7,160.

Quarter fines amounted to \$23.46 for parking violations; \$1 fines brought in \$76.00. A total of \$2,096.21 was collected in fines and bond money.

In traffic accidents two persons are reported as being injured seriously out of the seven injured; One accident involved four vehicles.

ANIMAL WARDEN. There were 20 dogs picked up.

BUILDINGS & GROUNDS. Duties in maintaining city property included lettering signs, installing flag poles, relettering trash barrels, tearing down the old scout hut, mowing, trimming hedges, etc.

STREET DEPARTMENT. Installed culverts — 12" SE 9th Street, graded several parts of streets, graded off street shoulders, treated surface of several streets, scarified NW 4th St. extension and on 3rd street NE.

The sweeper travelled 487 miles, picked up 101 yards of debris.

All quarters of the City were touched by some operation of this department.

SOME 60 GRADS OFF TO COLLEGE

Over half of the 1965 graduating class of Belle Glade High are continuing their studies this fall. They have chosen both large and small colleges or vocational schools in Florida and out of state.

Fifty-seven of the 108 June graduates are accounted for school-wise; about ten of this spring's crop of students are married or planning to be married soon; others are entering, or already in service with the Armed Forces, or have taken on jobs and are working.

Most have enrolled in Florida colleges, among which Palm Beach Junior College is the favorite.

Three of the four recipients of the Haydon Burns Scholarship from Belle Glade are attending PBJC: Silvia Hernandez, Ofelia Sanchez and Don Wilkinson.

Pat Fisher plans to attend for the first trimester only, after which she will join her family overseas.

Mark Luster plans to enter in January at the University of Illinois.

Also among the student body at PBJC this fall will be Martha Brane, Larry Campbell, Diane Davis, Linda Drawdy, Dorinda Kelson, Mike Mansfield, Jerry Perkins, Alice Rashley, James Richardson, Judy Sells, John Spooner, Lidia Varella, and Joe Vickers.

One of the five people to attend the University of Florida from this graduating class is Petie Parrish who was awarded a scholarship from the local University of Florida alumni association. The other four are Ronny Lee, Farrell Kaufman, Billy Ferguson, and Mark Bush.

Only two students have chosen Florida State University. Kathryn Zywicki has a head start by earning 9 hours credit during the summer session. The fourth recipient of the Haydon Burns, scholarships, Irene Ashley, will also attend FSU. She was also awarded a Pilot Club International Scholarship.

The beautiful and new University of South Florida, located in Tampa, will have several members of this class enrolled. They are Lee Anne, Bettyhill, Lynda Long, Terri McWhorter, and Connie Bacon.

Steve Hallbrook will attend Florida Christian College, also in Tampa.

Jorge Pinon and Margarita Equizabel are continuing their studies at Dade Junior College in Miami.

John Bamford is the only member of this class enrolled at Stetson University in Deland, while John Evans is the only representative at Indian River Junior College at Fort Pierce.

Larry Bowen, home for a short vacation after attending the summer session at St. Leo's College, will return to classes there in mid-

September.

Vonelle Rogers and Donald Bailey from South Bay have chosen Massey Business College in Jacksonville to continue their education.

Also attending business school will be Sandra Wilson, who is enrolled in Miami Business School.

Sandra Rhymes, Sharon Amedee, and Jo Ann Brewer will be studying at Palm Beach Vocational Beauty School, starting in September.

Several students have chosen out-of-state schools, all east of the Mississippi.

Karol Vadasz has chosen a school far north in Indiana. She will attend Elkhart University of Dental Technology in Elkhart, Indiana.

A few will journey only to Georgia. Susie Wieren-g will be studying at Young Harris in Young Harris, Georgia. Joyce Morris has chosen Tift College, and Janet Crichtfield will attend

THE FARMEROT

Aug. 26, 1965. THE HERALD, Belle Glade, Fla. Page 7

FARM LABOR PROBLEMS MINIMIZED BY WASHINGTON

By Doyle Conner
Commissioner Of
Agriculture

Less has been heard publicly in recent weeks about the foreign farm labor controversy between U. S. Labor Secretary W. Willard Wirtz and growers in many areas of the nation. But don't think the battle has ended, or that either side has slackened its pace.

Consumer interest in the problem is the single cause of increased food prices by recent publicity given to increased food prices. credit its relationship to However, some Washington higher prices, however, is officials are attempting to minimize the role of the farm labor problem, citing adverse weather conditions and other factors as major causes of rising prices.

To say that the labor

will be issued, and officials in Washington will get a more complete picture of Florida's crop conditions & harvesting needs.

Cooperating in the new system are Florida Department of Agriculture Division of Marketing and Fruit and Vegetable Inspection, the Federal/State Crop Reporting Service, the State ASCS Office, the Florida Celery and Sweet Corn Advisory Committees, the Florida Industrial Commission and other groups.

This cooperative project should provide indisputable evidence of labor needs in Florida agriculture. Hopefully, the U. S. Labor Department will recognize these needs and will act swiftly to prevent future crop losses which will cause economic hardship for growers and higher food prices for everyone.

Schoenfelds Cover Many Miles On Trip

Mr. and Mrs. F. C. Schoenfeld and daughter Rita, accompanied by their son and daughter-in-law, Mr. and Mrs. Bill Schoenfeld, enjoyed a grand vacation. The F. C. Schoenfelds drove out to Ironton, Mo., and visited two weeks with Mrs. Schoenfeld's parents, Mr. and Mrs. W. P. Province, and other relatives and were joined there by Billy & his wife, who flew out. From there they went to Michigan sightseeing in Canada and visited Niagara Falls. In Harrisburg, Pennsylvania, they were guests of Mr. Schoenfeld's sisters, Helen and Stella. While in Pennsylvania a tour through Hershey Candy Factory was enjoyed.

Enroute home the group spent two days in Washington and took in all the historical places including the capitol and white house.

Bob Padrick Of Ft. Pierce On C&SF FCD

A well known Ft. Pierce man, who has extensive business and agricultural interests in south Florida, has been named to the Governing Board of the Central and Southern Florida Flood Control District.

Robert W. "Bob" Padrick, 38, was appointed by Governor Haydon Burns to fill a vacancy on the Board created by the expiration of the term of W. S. Scott, Stuart attorney.

Padrick, secretary-treasurer of Padrick Chevrolet, will be sworn into office on Friday, September 17th, at the next official meeting of the Governing Board to be held at FCD headquarters in West Palm Beach.

However, Padrick will not have to wait until his formal installation to become indoctrinated in his duties of helping govern the \$385,000,000 Project that covers 18 counties of central and southern Florida. In fact, starting this week, he will be visiting FCD Headquarters and inspecting — as much as possible — the 1,400 miles of canals, more than 75 spillways and dams now operated by the FCD, as well as obtaining a close-up look of much of the \$30-million of construction now underway.

In addition to the Ft. Pierce auto dealership, Padrick has a major interest in the P-4 Ranch, Ft. Pierce Gas Company, and he holds a four-county franchise for the Arvis Rental Car Agency.

Pvt. E. L. Whitlock Based At Ft. Gordon

Pvt. Edwin L. Whitlock, son of Mr. and Mrs. W. K. Whitlock, is receiving basic training at Fort Gordon, Ga. The young soldier, a graduate of Belle Glade High School entered the Army in July.

Basic training he is on the rifle range every day and the group is getting their qualifications, which they have to hit a certain number of targets from 100, 200, 300 yards. He is also taking training in hand to hand combat. Following completion of basic training, Eddie will spend two weeks at home and is expected to be here about Sept. 15 or 16. After his leave he will return to Aberdeen Proving Grounds in Baltimore, Md.

SPEND YOUR SUMMER & WINTER VACATION IN PALM BEACH COUNTY TODAY IS BELLE GLADE DAY

Mayor George Williams, Belle Glade.

Ty Tarby, Florida World's Fair Authority, is presenting Mayor Williams with a World's Fair Medallion on the occasion of Belle Glade Day at the World's Fair, which was August 7, 1965. The Mayor was also present for Florida Day festivities at the World's Fair on August 10.

VETERANS BENEFITS

M. T. Dixon of the Fla. Dept. of Veterans Affairs stated that due to continuing commitment of the United States in South Viet Nam more and more servicemen are being exposed to extra hazardous service. As a result, we can expect an increase in the number of inquiries concerning the benefits available to those persons who have, or will in the future, serve in the South Viet Nam action. Service in South Viet Nam is considered as extra hazardous service under conditions simulating war, and disabilities arising from such service are paid by the Veterans Administration at the wartime rates.

Dixon further stated that the following broad range of benefits are available to veterans of service in South Viet Nam, and their dependents: Disability compensation, dependency and indemnity compensation for widows, children and dependent parents, burial benefits, six-months death gratuity, RH National Service Life Insurance, hospitalization, educational benefits if he has a 30 percent or more disability, war orphans education benefits, re-employment rights, unemployment compensation, Federal employment veterans preference, Soldiers and Sailors Civil Relief Act, Social Security benefits, and certain income tax exemptions.

Dixon stated for more detailed information on any one of these benefits, contact the local Veterans County Service Officer, or write him at P. O. Box 1437, St. Petersburg.

Rogers' Questionnaire

Congressman Paul Rogers has announced the results of his Annual Questionnaire.

The poll is taken each year by Rogers to sample the views of constituents in the 6th Congressional District of Florida on matters of national interest.

"More than 56,000 people replied this year, and the number demonstrates the rapidly growing interest in the nation's affairs," the Congressman stated.

The results announced by the Congressman are as follows:

Question	Yes	No	Undecided
1. Are you in favor of a Government supported medical care plan for the aged?	58.9%	34.6%	6.5
If your answer to the above question was YES, please answer one of the following:			
(1-a) Do you favor "Medicare" financed by Social Security taxes?	53.7%		
(1-b) Do you favor "Eldercare" financed by matching Federal-State taxes?	39.8%		
2. Do you approve a reduction in excise taxes this year?	71.7%	21.3%	7%
3. Should Foreign Aid be Cut?	86 %	9.7%	4.3%
4. Do you favor repeal of Section 14-b of the Taft-Hartley Act, which now permits the states to have "Right-to-Work" laws?	25.4%	67 %	7.6%
5. Do you approve increased Federal aid to education?	49.2%	45.1%	5.7%
6. Do you favor my bill to raise the "outside income" limitation from \$1200 to \$2400 for those drawing Social Security benefits?	88.9%	9.4%	1.7%
7. Do you support United States military activity in Viet Nam?	55.5%	36.9%	7.6%

Rogers said, "The response to this year's Questionnaire is the largest received in the 11 years which I have served in the Congress.

"These answers reflect the feelings of the people of our area, and are most helpful to me in representing their views on the issues before the Congress.

"I want to take this opportunity to thank those who took the time and effort to let me have their feelings on these matters."

STUDENTS REGISTER TODAY and FRIDAY

Page 8 THE HERALD, Belle Glade, Fla. Aug. 26, 1963

Elementary Students Register Aug. 26-27; Junior & Senior High Students Aug. 26 Only

There will be TWO days of registration this year for Palm Beach County ELEMENTARY school students, Thursday, August 26, and Friday, August 27 — it is announced by Superintendent Robert W. Fulton.

Parents and guardians must take careful note, however, which of these two days applies to their children. Reason for adding a second day for ELEMENTARY SCHOOL students, Mr. Fulton said, is to avoid

the long, tiresome lines which have often formed at many elementary schools in past years.

There will still be only one day for JUNIOR and SENIOR HIGH STUDENTS. Here are the schedules:

ELEMENTARY SCHOOLS
August 26 — All NEW students will register EXCEPT first graders. The term "new students" refers to all students registering at an elementary school this year, other than the elementary school they attended last school year.

August 27 — ALL FIRST GRADERS will report for registration. Also on this day, August 27, all elementary school students ASSIGNED this school year to the same school they will report on this day, August 27.

REGISTRATION MAY BE DONE AT ANY TIME BETWEEN 8:30 A. M. and 12 NOON at the schools.
JUNIOR AND SENIOR HIGH SCHOOLS
THURSDAY, AUGUST 26 — All junior and senior high schools will register NEW STUDENTS only on this day, August 26.

The new students WILL REPORT at the schools at 8:30 A. M. on this date. The term "new students" refers to all students who were not in attendance last school year, at the school which they are registering for attendance this school year.

On Thursday, August 26, new students will receive instruction as to where they will report Monday morning, August 30. It is important that all junior and senior high school students report at 8:30 A. M. on Thursday for group orientation.

All RETURNING junior and senior high school students, scheduled last spring are to report TO THEIR LAST YEAR'S HOME ROOM LOCATIONS, MONDAY MORNING, AUGUST 30, at the commencement of the school day.

August 30 will be a regular school day, with the regular time schedule in effect.

Last Rites Held For Jess Taylor

Graveside services for Jess Taylor, 66, of Lake Harbor who died August 18 at Glades General Hospital following a long illness, were conducted Saturday, 10:00 A. M. at Ridgeland Cemetery in Clewiston. Mr. Jerry Henderson of the Church of Christ, Belle Glade officiated.

A native of Arkansas, Mr. Taylor came to Lake Harbor 15 years ago from Harrisburg, Arkansas. He was employed by C. A. Thomas Farms in Lake Harbor.

Survivors include his widow, Mrs. Flora Taylor, Lake Harbor; one brother, Homer Taylor, Little Rock, Arkansas and two sisters, Mrs. Maggie Haulcomb, Lake Harbor and Mrs. Chis Clayton, Jonesboro, Arkansas.

Funeral services were held at the home of the deceased, Mrs. Taylor, 1000 N. W. 1st St., Lake Harbor, Fla. Burial was in the Lake Harbor Cemetery. The Williams Funeral Home, Belle Glade was in charge of arrangements.

Mr. and Mrs. J. P. Halbrook, Jr., are expected to return from their vacation this weekend. They visited his mother, Mrs. J. P. Halbrook, Sr., in Athens, Alabama and relatives in Belzoni, Miss., and are spending the last several days somewhere in the Smokies in North Carolina.

Mr. and Mrs. Murray Weeks and children are back home after enjoying a months vacation at Ft. Myers Beach. Mrs. Weeks is busy getting ready for the Hospital dedication. She and Mrs. Fritz Stein, are chairman of the refreshment committee.

Mrs. M. M. Sabiston vacationed for two months in Boone, N. C., and is now home again. She said the mountains were lovely and the weather was so cool, she had to wear a sweater most of the time, especially in the morning and evening.

Dinner guests of Mr. and Mrs. Edward F. Allen on Sunday were Mr. and Mrs. Charles Hortensette and son Edward of Gainesville. The former residents of Belle Glade were in Miami and stopped over on their way home. Other guests arriving Sunday afternoon were the Allen son and daughter-in-law, Mr. and Mrs. Bill Bearden and children Lisa and Jimmy from Tampa. They will visit here this week.

Special Services

The Glades General Hospital has three special services, well organized and efficiently aiding the needy. The Heart Clinic at the hospital is held each alternate Thursday morning. The Heart Association of the County cooperates in the treatment of those who are unable to provide the necessary medical and hospital treatment.

The Maternity Clinic functions continuously and offers a Low Cost hospital and medical plan, whereby full medical care both pre and post-natal, as well as hospital service is available. The parents may register at the first need and if able may make payments on the total bill of \$80 as they are able. The doctors accept a nominal fee and the balance goes to the hospital.

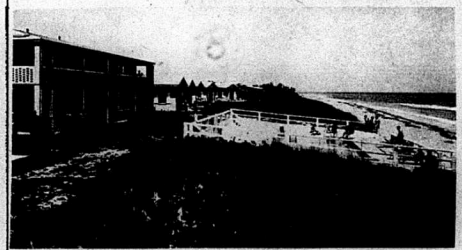

Indigent Clinic provides medical care for those who are not financially able to pay for it.

All patrons must be referred by a doctor, and all are investigated by the county welfare or the County Health Service. There is no reason for any resident of the area to be deprived of medical services if they are determined to be deserving.

50,000 Will Enter PBC Schools

2600 PBC Instructor Personnel

Palm Beach County's some 2,600 classroom teachers and other instructional personnel, ended their summer recess last weekend, reported to the principals of Monday, all new teachers their assigned schools, while returning teachers reported on Tuesday.

This year, there are some 200 additional teachers on the faculties of Palm Beach County's 88 public schools, bringing the total instructional staff to approximately 2,600, with an annual payroll of almost \$25 million.

Local millage taxes to operate, and maintain Palm Beach County's growing school system — which serves the area's continuing population explosion — will produce approximately \$20 million.

Last year's enrollment totaled 61,700; this year's total is expected to increase to about 64,000. All teachers will begin their annual ten day tightly scheduled Pre-school Planning Program as soon as they report.

August 26 is registration day. The new school year begins, August 30.

(For school registration days and hours, see separate story)

Hospital Charges Cover Operation

Belle Glade's new hospital, according to Administrator Saunders, has placed on its books each year recently sufficient to pay the costs of operating the hospital.

The catch is the care of the indigent — all of whom are certified to the hospital as being bona fide cases of — and the indigent

ent who do NOT pay. These delinquents, who are charged off at the end of each year are in many cases people who are well able to pay the hospital bill, but just don't. Some are pushed if they pay, and they don't push themselves.

Some 30 percent of the annual bookings are charged off each year for non-

payment, either the indigent or the no-goods.

These deficiencies must be made up by taxation on all real property in the district.

Of the total budget for the year ending in '64 amounting to \$664,551.00, \$186,698 was charged off; for the year '65 \$884,880 is listed on the books and

\$268,880 is being charged off.

If all would pay their just charges, then the assessment against property would be insignificant each year for the operation of our hospital facilities.

The indigent will always have with us. By a system of information insisted on at admittance, a discussion of the method of payment, if there is a question, and the use of legal procedure, the Administrator is gradually lowering the percentage of unnecessary delinquents.

THE PINK LADIES

Everyone attending the dedication of the Glades General Hospital will be seeing "Pink Ladies" for the first time as this newly organized group of ladies is a unit of the Women's Hospital Auxiliary.

A number of the Pink ladies will serve as tour guides at the Open House which is set for Sunday afternoon at 3:30. The group met Wednesday night with Mr. Saunders and Mrs. Natalie Nachman, who assisting in coordinating the meeting, in the absence of Mrs. J. Allen Baker, president of the Auxiliary.

Mrs. Murray Weeks and Mrs. Fritz Stein, Jr., will be the Pink Ladies in charge of the refreshments with Mrs. A. B. Mathis, Mrs. H. B. Merriam and Mrs. Julia Hemphill from Lake Harbor assisting.

Peace Corps To Test

An opportunity for Glades area residents to offer their abilities to the Peace Corps will come at 9 A. M. Saturday, September 11, at the main Post Office in West Palm Beach.

Applicants should plan on about one and a half hours at the testing centers, unless they wish to take the Spanish or French language achievement test, which requires an additional hour.

City Products Defends Honor; Clips All-Stars Twice

CITY PRODUCTS successfully defended its honor or when challenged for League supremacy by the League's All Stars, by blanking them 8-0 on their first meeting at Loxahatchee and handing them a 10-2 setback at Pahokee's City Park Tuesday night. This marks the second time in as many years that the Icemen have won the League Crown and went on to defeat the All-Stars in two successive contests.

Phil Bonnell, City Products fireballing strike out leader, pitched masterfully in the opening contest at Loxahatchee - blanking the challenges on 2 scratched hits by Willy L. Bonnell struck out 12 batters in the shut out victory paced by the slugging of Butch Butler, Jeff Barwick, Larry Marsh and Rick Butler. A five run uprising of All-Star starting pitcher Buddy Little, in the second inning, pitched George Mills was safe on an error and Jeff Barwick drew a base on balls. After a wild pitch, Buddy Lampi singled home the first two runs and went to second on the throw to the plate. Ted Butler walked and followed Lampi across the plate on Jay Davis' double. Davis taking third on the throw from the outfield. Davis scored the fifth run of the inning on a sacrifice fly by Alvy Early.

Butch Butler double, Larry Marsh's triple, and Rick Butler's triple accounted for the three runs in the seventh. It came after Ted Butler led off with a double and Jay Davis walked. It was a line drive that never got over six feet high as it cleared the fence in right-center field.

A towering home run by Alvy Early, in the sixth off Phil Bonnell, pitched the Icemen to a 10-2 triumph at Pahokee Tuesday night. City Products opened their assault on starter and loser, Earl Vann of the All-Stars in the third inning. Rick Butler opened that frame with a line double and went to third on an infield ground out by his brother Ted Butler. Alvy Early then laced a double to left scoring the first run. Butch Butler, oldest of the three Butler brothers with City Products, then beat out an infield boomer with Early going to third. Early then raced home when Phil Bonnell lined out in short center to George Hamlet.

Marsh then connected for his towering home run off Vann that made it 4-0. Buddy Lampi opened the fourth for the Icemen with a double to left. He raced home when Rick Butler singled up the middle. Ted Butler doubled home Rick and scored when Alvy Early's pop up in short centerfield was misplayed and dropped.

The All-Stars rallied for two unearned runs in the sixth with only one hit, a single by Ernest Amedee driving in Jay Meadows who was safe on an error.

Until Amedee's hit, back-to-back singles by Clarence Throop and Richard Pace in the first inning were the only hits off Bonnell. Bonnell struck out six batters getting his fourth All-Star pitching victory against no losses in All-Star competition.

Butch Butler ended the scoring against the All-Stars with a three-run homer off Jay Meadows in the seventh. It came after Ted Butler led off with a double and Jay Davis walked. It was a line drive that never got over six feet high as it cleared the fence in right-center field.

Monday afternoon 60 boys were suited out in full pads. Of these, 29 will make up the Varsity and the remainder will compose the Junior Varsity team.

"Attendance has been good and spirits high," Coach Burke said. "With a number of backs returning we will have pretty much a veteran backfield."

Tentative starting backs will be Tony Latour at quarterback, Pat Gilbert and John Lee Henderson at halfbacks and Gary Walker at fullback. Up front the two new faces in Bryant Davis, a converted quarterback and Scottie Markham, who saw some action at end last season.

Boys who will make up our defensive unit in addition to the boys named above will find George McDonald at end, who will also be used as an offensive man. Larry Norm as a defensive end and Mickey McGhee will be at a defensive halfback position as well as alternating at quarterback.

Other boys who have a chance of breaking into the starting lineup and who will see considerable action will be Johnny Williams, quarterback; Tommy Woods, halfback; Duan Stokes, fullback; Zane Miller, end; Eddie Prevatt, tackle; Pat Brown, center; Julio Perez, guard; and Ronald Shurley guard.

Tony Latour of Glades Chevrolet won the individual batting championship of the Glades Fast-Pitch Softball League with a record .472 average. The previous record of .453 was established last year by Loxahatchee's Bradley Stewart. Latour, who missed several of his team's games, just squeezed in the number of official at-bats required to qualify for the title. George Hamlet of Loxahatchee finished in the race with .387.

City Products, the defending champions, repeated last year's achievement in even better fashion this year winning 22 games and losing only 3. Runnersup Rashley's Dry Cleaners finished four games off the pace with an 18-7 season.

Butch Butler and Phil Bonnell led City Products in batting with identical .361 averages. The league leaders had five more hits than the runnersup who finished over .320. Alvy Early drove in 27 runs for the champions with eight home runs. He finished second to Larry Marsh then with I. A. M. but now with City Products, who led the league with 20 r.b.i. and 10 home runs. Bonnell won 19 regular season games and lost only one while setting a strikeout record with 199 whiffs in only 99 innings pitched.

Jackie Baughman

Jackie Baughman recently placed first in her division in solo twirling and was runner-up for Intermediate Grand Champion at an N. B. T. A. open contest held at the Central Florida Baten Camp at Howey Academy. She was also a member of a small team made up of Catherine Holton, Gail Parker, Donna Connell and Sandy Winterrowd "The Cracker Jacks" who also placed first and received a trophy similar to the one Jackie is holding, and received at this contest.

The other trophies have been won by Jackie in open competition within the last year. The young lady will be one of Belle Glade High School Band Majorettes this football season. Jackie has been a member of the "Patnettes" and

"The Patty Cakes" for the past several years and has participated with this group in winning many awards. She has 27 medals in addition to other awards. She is a student of Pat Anderson DeVos.

BPW Club Will Host Kissimmee Boatcade Breakfast Sunday, Sept. 5

At the regular meeting of the Belle Glade Business and Professional Women's Club held at the home of Mrs. Rosa Nash, several items of business were taken up. Miss Kathleen Rogers, president, presided.

Mr. Lee Cranford, representing the port Committee of the Chamber of Commerce, and in charge of securing some organization to serve breakfast to the Boat-A-Cade on Sunday, Sept. 5, was introduced to the mem-

bers. He briefed them on the serving of the breakfast and the club voted to do this as a fund raising project.

The club also voted to assist a student, June Burnette, financially in attending Palm Beach Junior College.

Mrs. Irene Doub tendered her resignation to the club which was received with regret. She has been transferred to Knoxville, Tenn., by the USDA.

Three new members were

Chosen Baptist Homecoming Sunday, Aug. 29

The First Independent Missionary Baptist Church of Chosen, will have Annual Homecoming on Sunday, August 29. Elder E. L. Johns of White City, formerly of this church, will bring the morning message.

The church is expecting 250 in Sunday School that morning.

During the noon hour dinner will be served and in the afternoon there will be special singing.

All former members are invited to come and enjoy the fellowship.

Mrs. W. D. Moore and boys, Kelsie and Terrell from Bradenton visited from Friday through Monday with Mrs. Moore's mother, Mrs. Zelma Betzner, her sister Mrs. Del Keesee and brother and wife, Mr. and Mrs. Chas. Betzner.

Margo Averill Attending Nat'l. Workshop In Wis.

Miss Margo Averill, daughter of Mr. and Mrs. Grant E. Averill of 615 S. E. 2nd Street, flew to the University of Wisconsin Saturday, August 21st where she will represent her college at the National Student Association Workshop. She is attending in place of Terri Blazak, President of the Student Body at Dunbarton College Washington, D. C.

National Student Association is concerned with all issues affecting the students in institutions of higher education. Traditionally, American students have expressed their ideas and aspirations through their respective student governments. In most cases, however, this meant that this expression was limited to the individual campus. Since 1947, United States Students have been able to voice their opinions on a national and international level through the U. S. National Student Association. The programs and policies of the National Student Association are established by the annual National Congress to which all member schools of the Association may send delegates. This is the association Margo is attending.

Margo will leave Wisconsin September 3rd for Livingston, New Jersey to visit a former roommate, Miss Dana Dowd. She returns to Dunbarton College of Holy Cross on September 7th for the college's own Student Council workshop. She was elected to the office of Judiciary Chairman for her college for the coming year. This is a Senior office and is the first time an underclassman has held the position in the history of the college. She starts classes at Dunbarton September 15 as a Junior and is majoring in Biology.

Dr. Burdines Travel Around

Dr. and Mrs. Howard Burdine are back in town after a month's vacation. Mrs. Burdine spent three weeks with her parents, Mr. and Mrs. Buford Wilson and her sister and brother-in-law, Mr. and Mrs. Theodore Strunk at Berea, Kentucky. While there, Mrs. Burdine enjoyed the arts and crafts at the Freide Industries of Berea College and the Churchill Weavers.

One weekend Mrs. Burdine visited with her sister, Mrs. Irene Rice and her niece, Mrs. James Harlan and children of Louisville, Kentucky. During her stay she enjoyed a fishing trip while at Mrs. Rice's Cabin on Melody Lake Bardtown, Ky., and also two shows "Sound of Music" and "My Fair Lady."

During this time Dr. Burdine was studying at Purdue University, Lafayette, Indiana. Following this the Burdines took a rambling trip thru the mountains of Eastern, Kentucky and Virginia to Norfolk, Va. The first night found them at Abingdon, Va., where the Virginia Highlands Festival was in progress, so they stayed over a day and night to enjoy the Arts and Crafts exhibits and a play adapted from Shaw's "A Man for All Seasons" at the famous Barter Theatre. The Burdines then took an interesting tour of Norfolk, the Portsmouth Naval Shipyard, museum, the Gardens by the Sea, the U. S. Naval Base and Air Stations and the Norfolk Museum of Arts and Sciences.

It was time the next day to start South by the ocean Highway, stopping at the Kitty Hawk Museum and the site to the Last Colony on Roanoke Island, then down the Tidewater Highway to Savannah, Georgia and on to Belle Glade. The couple is glad to be back with friends and neighbors in spite of much cutting of grass and pulling of weeds

Mrs. Dona Cantwell - Medical Records

by Dr. Burdine, while Mrs. Burdine chases dust, spiders and mold in the home.

Many Cooperated On Our Hospital

Glades folks are pioneers — in the past it has taken a Pioneer's stamina, integrity and honesty as individuals, to keep a picture always in mind of "What WILL BE" despite the vagaries of weather, the incompleteness of methods of agriculture necessary to wrest the best from the Gladelands.

Education of our children was a touch and go proposition over many years; it's not yet perfect, but the improvement in facilities brings our schools on a par with Florida's and the Nation's average.

Many remember when Sunday school, preaching, boy scouts, girl scouts, dances and a Legion meeting were held in the Legion Hall within a seven-days period. Now you can choose your particular vehicle to whatever heretofore you vision — we have most denominations with Houses of Worship.

Dr. W. J. Buck delivered many a newborn on the banks of our canals, even in the back seat of an automobile, and many in homes, ill-fitted for such an event.

Hospitalization was a matter of bumping over many miles to West Palm Beach, Lauderdale, or to Miami, even.

Our Community is about to "Open" a 75-bed hospital equipped with science's latest in the major de-

partments of birth, pediatrics, operating rooms, patients' room and Service in general.

The hospital offers regular clinical aid to heart patients, to the low income parents in the obstetrical ward, and to the indigent needing general medical and hospital aid.

More than 30 percent of the operating cost of the hospital goes to "charge-offs" — the indigent in body and mind, and the "no goods" we inherit with our agricultural production's labor demands.

Agro-industry — fabrication of agricultural products — brings the demands of industry from the medical field, and stabilizes the economy of such a plant as we will have when the old facilities are blended with the new to afford approximately 50 additional rooms.

The job is hardly done when demands suggest more and more; there will be a constant series of problems, no doubt, but we will DIG IN to dig out.

In times of need in a pioneering community, strength of character and definiteness of purpose are displayed by PIONEERS.

The Glades is lucky in Nature's Bounty; the Glades is fortunate in its Citizenship!

DROPOUTS

Congress has passed and the President has signed into law an act authorizing the deletion of all silver from our coinage, abandoning a standard that has prevailed for 176 years in the United States.

Between the Supreme Court and Congress we have achieved a number of notable "dropouts" in the last few years.

The Bible has "dropped out" of our tax-supported educational system with the assistance of the Supreme Court.

"Literacy" has become a dropout at the polls with the blessing of Congress and this in spite of the billions of dollars that have been expended for education in the last decade.

Our gold reserve has become a "dropout" even though Fort Knox was thought to be impregnable. Congress and the Supreme Court both joined in accomplishing this result.

The historic separation of powers guaranteed by our Constitution has become a "dropout" as both Congress and the Supreme Court have yielded more and more power to the administrative agencies.

The "balanced budget" has been a dropout along with the permanent national debt limit these past 30 years.

The safety of lives and property in our major cities is rapidly becoming a "dropout" as the federal government with the blessing of Congress and the Supreme Court turns its face away from "civil disabili-

ties" which disrupts and interferes with the flow of commerce and the ordinary use and the freedom of access provided by our streets and highways.

Responsibility and honesty in public office has long since become a "dropout" as administrative agencies withhold information completely from Congress and from the public, or release partial or inaccurate information for self-serving purposes which are in the interest of the administrative agency but not in the public interest.

"Separation of the church and state has become a "dropout" as pastors leave their pulpits and lobby for social legislation in response to pressure groups.

The dignity of public office has become a "dropout" as greed and hunger for power betrays officeholders into new excesses in partisan patronage practices and in the buying of votes with taxpayers' money.

The "one-man-one-vote" principle becomes a "dropout" as both the Supreme Court and the administration invade the legislative field and substitute the judgment of minority groups and appointed individuals for the will of the majority.

New York City's credit rating has dropped from "A" to "Baa" as municipal services are operated at spanking losses (sewer, water, subway and Staten Island Ferry); the right to work without placing the labor union ahead of self and country is about to become a dropout and the bull has dropped out of the stock market.

The Right To Choose!!

The President of the United States has a perfect right to have his own opinions — that's the privilege of a free country!

You and I as citizens DO HAVE A RIGHT to question the method of his radical changing from previous representations, especially when those representations weighed heavily with voters in the immediate past presidential election.

If, in the convention ante-rooms, his anticipation of the possibility of being President led him to violate promises of attitudes of national implication, then he's been bought!

Personal actions bought and paid for from high public office, chests three — the buyer, the seller and the public.

Has our President violated publicly expressed implications with regard to 14 (b)? You judge!

If in your judgment he has, WRITE YOUR SENATOR AND CONGRESSMAN!

We quote: reported in the Dallas News 8-18-65—

"Lyndon Johnson voted for the Taft-Hartley anti-communist law because he believes that no group of men — big labor or big business — should possess the power to wreck our national welfare and economy"

"Lyndon Johnson will never vote to repeal this law."

Not What—But How?

Politics is one of the principal occupations in a free nation. But a nation free free only so long as the voters control the politicians.

The people of the United States have no conception of what fear of government officials means. They have never been herded into oblivion by state police for expressing views in opposition to dictators in power.

As a result, U. S. citizens have never lived in fear of officials. Under our Constitution, they have enjoyed the right to choose — the greatest civil right.

But politics has been whittling away at that right and steadily restricting the individual's right of choice in the U. S.

Therefore, it is well to read the words of one who remembers living in fear — where the individual was

the plaything of officialism — where he had no choice.

The following letter "To The Editor" appeared in the Portland, Oregonian recently. It said in part:

"Although my age was only eight when my father was forced to leave Russia because of persecution, my memories are very vivid of the tribulations endured under governmental controls. Because of these unforgettable experiences, the constitutional rights and liberties are treasures worthy of preservation regardless of cost."

When you see a candidate for public office, or an elected official advocating policies that undermine constitutional safeguards, states rights and individual opportunity, turn thumbs down on him while you have a vote and a choice.

Stop
Look
And Listen

Before you cross
the street

Use your eyes

and

Use your ears

BEFORE

You use your feet.

The Life You Save

May Be A Child's

The fishing poles and base ball bats go back into the corner to gather cobwebs as youthful vacationers dust off their books for the opening of school.

The annual drive to alert motorists to be particularly careful in school areas and around school buses has begun. New, colorful "School's Open-Drive Carefully" posters are displayed throughout the community. This local "School's Open" Program is part of a national effort by the AAA and its affiliated clubs to curb traffic accidents involving school age children.

Police and school authorities are constantly working to safeguard our children, but they cannot do it all alone; PARENTS MUST REMEMBER their responsibilities too.

Not all of our school pedestrians have access to streets that are protected by traffic aids — signs, signals, police, patrols, crossing guards, pedestrian crosswalks. In addition, many of them will have to walk

in or along a roadway — particularly in rural and new suburban areas which, quite often, have no sidewalks. These youngsters must be taught to WALK ON LEFT FACING TRAFFIC.

Prepare your children to be safe pedestrians by making certain they know and use a safe route to and from school.

Warn your children to be extra careful when crossing unprotected corners.

Point out that a green light does not guarantee a safe crossing.

A pedestrian must still look all ways to be safe.

"However, Traffic and Safety Director William B. Wellons, Jr., reminds drivers that "YOU have a major responsibility in the safety of all our school children."

DRIVE CAREFULLY!

Uncle Dan From Doolie Says:

DEAR MISTER EDITOR:

The fellows at the country store Saturday night was in a complaining mood and, general speaking, didn't have a good word for nothing or nobody.

First off, Ed Doolie, that is still wearing his Goldwater button, reported he had saw in the papers where they was going to remodel the west front of the Capitol in Washington. According to this place, said Ed, the Capitol architect claimed the west front was gitting in such bad shape the vibrations from jet planes was liable to start it tumbling down.

It was a strange thing, allowed Ed, that the White House and the Capitol was always tumbling down under a Democratic administration. He said he could recollect when Franklin Roosevelt remodeled the east front of the Capitol at a cost of several million dollars, then Harry Truman came along and had to have a front porch on the White House for another few millions, and now Lyndon has got to patch up the other front of the Capitol for some more millions. Ed claimed he spent 8 year in Washington and never spent a dime for repairs.

Personal, Mister Editor: I don't know if he was letting things go to pot around the house or Harry and Lyndon was working on the "Make America Beautiful" program, so I didn't say nothing.

Zeke Grubb reported he had saw a ad in a magazine for a new book called "Teach Your Wife to Be a Widow." It was wrote by some fellow that is a expert in family money matters and, the ad said, on account of wives general outlived their husbands by several year, over husband ought to teach his old lady how to carry on. Zeke allowed as how he was gitting mighty tired of this "drop dead" attitude towards old men like him that could be good for another 20 year. First off, said Zeke, he figured the Great Society had ought to git busy on this gap between husbands and wives, and

in the second place he was writing to his Congressman complaining about letting such ads go through the mails.

Bug Hookum was lamenting about a piece in his pamphlet from the Agriculture Department saying the price of beef was up 10 per cent since January 1, and pork was up 18 per cent. Bug don't raise nothing around his place but a few chickens and he was glad to note the piece said chicken prices was "firming."

Bug said "firming" was a \$10 Washington word meaning rising.

All in all, Mister Editor, it was a pretty gloomy session and I wished I had stood at home. They wasn't but one encouraging item brought up at the session. Clem Webster announced he had saw where a young fellow that was graduated from college in June had set on a fireplug for 72 hours and had established a new world's fireplug-setting record. Clem said it renewed his faith in American youth.

Yours truly,
Uncle Dan

Those attending were: Mrs. Marvin Lee, Misses Janie and Ronny Lee, Mrs. John D. Hemphill and Mrs. H. D. Merriam, Lake Harbor, Mrs. Maurice Bailey, Mr. and Mrs. Jimmy Mathis and Lisa, Mrs. Dan Mathis, Mich. and Wesley, Mrs. Frank Tyler of South Bay; Mr. and Mrs. Ted Blauser, Mr. Roy Burk, Mr. Calvin McDonald, Mr. Leland Plank, Flint and Allison of Belle Glade.

University of Alabama and has done graduate work at the University of Akron in Ohio. She is a member of the Baptist Church, Business and Professional Women's Club, Order of the Eastern Star, American Legion, A. U. U. W. and the American Home Ec. Association and the F. E. A.

Miss Helen M. Summers will teach 3rd grade. She is from Wallburg, West Virginia where she attended Clay High School, graduated with honors and was president of the National Honor Society. She received an A. B. Degree at Glenville College, Glenville, West Virginia and received her Masters Degree in Elementary Education from the West Virginia University. She has taught grades 2-4 at Valley Fork Elementary School in West Virginia for six years.

Miss Iela Hyer will be a 4th Grade Teacher and is formerly from Charleston, West Virginia. She is graduate of Morris Harvey College with a B. S. Degree in Charleston, West Virginia. She holds a Master of Arts Degree from Marshall University in Huntington, West Virginia and has previously taught in West Virginia and Florida.

Because of new drugs, methods of treatment and a changed public attitude, many of our hospital in-patients will be empty of their patients within the next 20 years, according to Dr. Luther L. Terry, Surgeon General of the United States.

Women Civic League Solicits Your Support For Club House

The Women Civic League of Belle Glade has launched a dynamic building fund drive for the purpose of a much needed club house and civic center in this vicinity. The goal of twenty thousand (\$20,000) dollars will finance the purchase of land and the construction of this club house, consisting of a large auditorium, stage, kitchen, office, dressing rooms and ladies and men's lounges.

This edifice will provide a place for cultural, educational, civic and wholesome recreational activities for the youth and community. Kindergarten is being planned and two rental units on the second floor will aid the center in meeting its operational expenses. The proposed site is South West venue "E" at Twelfth St.

The club solicits the support of the community in this project, Mrs. Amelia E. Houston, president said. "As outstanding citizens & active contributors to Belle Glade's rapidly growing & prosperous business and civic affairs and as participants in lifting social and moral standards of our community; your help is needed to make this dream materialize in the near future. Since a public appeal was released three months ago, the fund has received \$2,500 in cash and \$2,800 in pledges. This is very good but we are a long ways from

Mr. and Mrs. A. O. Anderson, Mrs. Jewel Dickey and Mrs. Helen Dickey and children Sham and Leannan of Clewiston enjoyed a swim party at the home of Mr. and Mrs. William Masonic in South Bay.

Mr. and Mrs. Howard Woodham and children Randy, Brent, and Mark spent several days vacation in St. Augustine recently.

Mr. and Mrs. Rayford Hall and children Marsha and Budd enjoyed the week end at Fishing Creek.

Mrs. W. M. Jeffries and Mrs. Joe Wall and children Vickie, Hugh, and Cary enjoyed a week at Ft. Myers Beach recently.

Mr. and Mrs. Charles Nelson of Delray spent a couple days this past week visiting with Mr. and Mrs. Robert Stokes and family.

Mr. William Masonic has opened up a Travel Agency in South Bay and has travel arrangements for tours anywhere in the world.

Mrs. Ruby Lisenbey of Sebring returned to her home on Sunday after spending a week with Mr. and Mrs. Harold Turney and family.

Mrs. H. C. Willis has returned home on Sunday after spending nearly three months visiting relatives & friends in California.

Mr. Bobby O'Steen is spending a week in Homestead with Mr. and Mrs. Glen O'Steen before returning for the opening of school in South Bay.

Mr. and Mrs. Thomas Bowyer of Miami were guests on Thursday of Mr. and Mrs. Bill Masonic of

South East Second Avenue. Mrs. Wendell Smith and children Winston, Kim and Marilyn of Avon Park were guests of Mr. and Mrs. Shelt Martin for several days this past week.

Mr. and Mrs. Howard Woodham and children Randy, Brent, and Mark spent several days vacation in St. Augustine recently.

Mr. and Mrs. Rayford Hall and children Marsha and Budd enjoyed the week end at Fishing Creek.

Mrs. W. M. Jeffries and Mrs. Joe Wall and children Vickie, Hugh, and Cary enjoyed a week at Ft. Myers Beach recently.

Mr. and Mrs. Charles Nelson of Delray spent a couple days this past week visiting with Mr. and Mrs. Robert Stokes and family.

Mr. William Masonic has opened up a Travel Agency in South Bay and has travel arrangements for tours anywhere in the world.

Mrs. Ruby Lisenbey of Sebring returned to her home on Sunday after spending a week with Mr. and Mrs. Harold Turney and family.

Mrs. H. C. Willis has returned home on Sunday after spending nearly three months visiting relatives & friends in California.

Mr. Bobby O'Steen is spending a week in Homestead with Mr. and Mrs. Glen O'Steen before returning for the opening of school in South Bay.

Mr. and Mrs. Thomas Bowyer of Miami were guests on Thursday of Mr. and Mrs. Bill Masonic of

Champion and son, Bobby, on a business and pleasure trip Wednesday.

STRONG CHURCHES

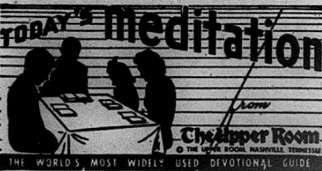

Church Nursery Dedication Set

Dedication services for the Church Nursery of the First Baptist Church of South Bay will be held at 11:55 on Sunday, August 29th.

Rev. James A. Fenlon, pastor announces that the new nursery facilities have been completed at an estimate cost value of \$1500. The nursery is air conditioned with wall-to-wall carpeting and rest room facilities.

Mrs. Floyd Wilder is the nursery attendant for the Church Nursery which houses children from birth-3 years of age for Worship Services, and birth-1 years for the Sunday School and Training Union Programs.

The Dedication and Open House of the Nurseries will be held at the close of the Morning Worship on August 29th at which time all may view the new facility.

TODAY'S Meditation
Chaparral Room
 THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Read Romans 13:7-14
Love is the fulfilling of the law. (Romans 13:10)

An editorial in a newspaper carried the question, "What is the greatest thing in the world?" Replies of many kinds were received — faith, religion, freedom. The best one also came: "Love is the greatest thing in the world."

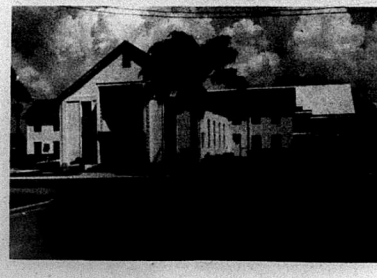

Paul had tried to work his way to heaven by keeping the Ten Commandments plus the many other laws. But he was to learn "Love is the fulfilling of the law."

If we, like Paul, are convinced that the most important thing in the world is love, we must show our love for our Lord, whom we have not seen, by loving those about us whom we can see. New Testament love means that we are to have toward others the same attitude which God has toward us. His love is for everyone; "he makes his sun rise on the evil and on the good, and sends rain on the just and on the unjust."

If we look to Jesus and learn to know Him better, we see what true love is, though a whole lifetime is not sufficient to unlock the meaning of divine love.

PRAYER: Dear Father, Thou art love. Teach us to love one another, as Thou hast loved us. Help us not to be content to do no harm, but discontented if we are not doing all the good we can. In the spirit of Jesus Christ, our Savior, we pray. Amen.

THOUGHT FOR THE DAY
 Christian love seeks to express itself in deeds.

Belle Glade First Baptist Church

The Church In A Changing World

By Rev. Jack Ponce

Our world is a changing one. With each sunrise we see new methods and modern devices, that makes life easier for mankind. Today's inventions will be obsolete tomorrow. Even now as our two astronauts travel in space in the Gemini 5 capsule, plans are on the drawing board for an even more astounding space capsule, that will make the present one obsolete.

On Dec. 17, 1965, Orville Wright made his first flight in a powered heavier — than air flying machine. Today, just 62 years later we have men in rocket ships in outer space. Time marches on and change keeps up with it. What should the role of the church be in this world of change in its methods to reach the world?

My seminary professor said four years ago that the day was coming when we would not have a crowd large enough to preach in church. He said that preachers would have to take to the beaches and places of entertainment in order to find people to hear the gospel. Already this is being fulfilled in even on the coast. The church in America is losing the battle

against the secularization of the total life of the individual. This is because the world sees too much of an inconsistency in what church members profess & what they actually live. Christians need to dedicate themselves as never before to the life of purity and service of the Lord Jesus Christ. They need to meet the challenge of a changing world.

Lets preach in our churches as at school, at work, on the beach and everywhere that we come in contact with people who need salvation.

Southside Church Of Christ Hears Ron Halbrook

"The Power of God Working Through Christians To Others" was the sermon theme of Ron Halbrook, as he addressed the last Sunday evening audience of the Southside Church of Christ in Belle Glade. In a lesson

by the same speaker Wednesday night, the question "Jesus Christ, Deity or Deceiver?" was studied.

Young Halbrook returned to the city after spending the Summer preaching for the Church of Christ in Kenosha, Wisconsin, and will spend several days with his family, the J. P. Halbrook of Belle Glade before returning to Florida College as a Sophomore, Major in Bible. Also enrolled for the fall session at Florida College in Temple Terrace (Tampa) which begins about September 4th, will be Ron's brother Steve Halbrook, 1965 graduate of Belle Glade High School, John Sheehan a returning sophomore and Dennis Abernathy, who has applied for entrance as a freshman and Bible Major. All are members of the Southside congregation.

TO SPEAK AGAIN SUNDAY

C. W. Scott, the evangelist of the Southside Church of Christ announced Sunday evening that Ron Halbrook would be the speaker again at the 11:00 o'clock and 6:30 p. m. services, Sunday, August 29th. His topic will be "The Divine

Economy of God." Former schoolmates and friends of Ron are especially invited to the services next Sunday at the Southside Church of Christ located on Highway 80 across from the Bowling Alley.

Local Witnesses Return From Dist. Meeting

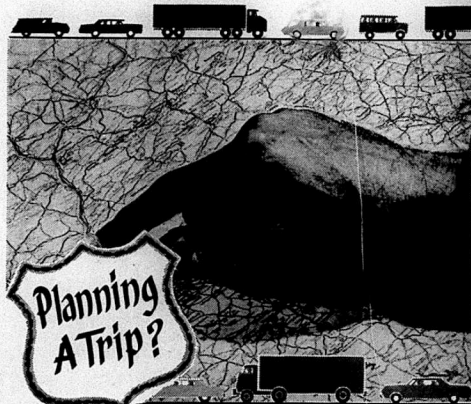

The overseer of the Belle Glade Congregation of Jehovah's Witnesses, Mr. Miles Crum, has announced that the entire congregation (both the East Unit and the Southwest Unit) were present in Saint Petersburg Fla., from August 12-15 to attend the District Convention of Jehovah's Witnesses held in the Bayfront Center there.

All were overjoyed at the large attendance which greatly exceeded the pre-convention estimates of Convention officials. Among the 60 local delegates were Mr. and Mrs. Jay Morris, long-time residents of the Glades. To help all present to become more effective ministers the entire program was based on the theme "God's Word of Truth." To assist in carrying out this theme new books were released, and eagerly received by all present. Scheduled on the Sunday program was the talk "The Book of Truth" given by local delegate, Mr. Jean C. Rainbow. The climax of the Convention came Sunday afternoon as 18,036 persons enjoyed the Talk, "World Government on the Shoulder of the Prince of Peace," given by Mr. Joseph Saita the Dist. Supervisor of the Witnesses Work in the Southeastern States.

Make STRONG COMMUNITIES

Never place a question mark where God places a period.

When you dig another out of his troubles, you'll find a place to bury your own.

Planning A Trip?

THE CHURCH FOR ALL

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Then you will visit a travel agency, study maps, read travel books, and talk with those who have already made the journey.

And what about that far more important (and uncertain) journey... the journey of life?

The Church offers wise counseling from those who have studied life.

The Church presents you with a map formed from the fundamental truths of God and his directives for living.

The Church interprets for you the greatest of all travel books, the Bible.

The Church gives you the companionship of the all-wise Guide, who made this journey without a mistake, the Lord Jesus Christ.

Agency, map, travel book and Guide for life's journey. Come to Church and find them all.

Push-button feed handling saves time and puts money in your pocket

Electrical feeding does this laborious job automatically... saves a lot of time... and frees you to do more productive work.

Amount fed each cow can be easily regulated. Concentrates in dairy rations can be mixed in accurate proportions and uniformly blended. Feed can be shut off completely at empty stalls.

Install electric feeding equipment in your barns. Costs less to operate. Five major rate reductions during the past ten years make Sunshine Service electricity the biggest bargain in your farm budget.

THERE'S NO MATCH FOR FAMELESS ELECTRIC FARMING.

Columna Latina

En Agosto 19 se reunió un grupo de teenagers en casa de Olga Pichardo y Loret de Mola. Se encontraban presentes para el momento de bailar un rato: Jose Alcega, Alina Gonzalez, Rodolfo Parrado, Jose Luis Larrondo, Alicia Loret de Mola, Philip Weber, Estrella Alvarez, Jorge Campa, Karen Dexter y Ruben Ledezma.

Rato muy agradable que pasaron en casa de Olga Pichardo.

El lunes 16 de Agosto pasaron por Belle Glade, procedentes de Little Rock, Arkansas, Cuqui y Kiko Villalon, con sus hijos Maria Eugenia, Jose Ramon y Augusto, y estuvieron en casa de Teresa y Ramon Gomez. Van a Miami a la boda de su hermana Irene Villalon y Sorzano, quien celebra matrimonio con Rodolfo Hernandez Quintana. La novia es hija de Elodia Sorzano Vda. de Villalon, y el novio es hijo de Eumelia Quintero y Rodolfo Hernandez Lasarte.

La boda esta dispuesta para el Sabado proximo dia 2 de Agosto, a las 12 del día, en la Iglesia Little Flower de Coral Gables.

De la familia Villalon, viene Leo de Belle Glade, pro- New Orleans, y Andres Villalon desde New York, con sus respectivas familias, para la boda de su hermana.

El Hno. Jose Ramon Villalon, Hermano de la Salle tambien se halla en Miami para la boda. Su hermana mayor, Loli, es monja del Sagrado Corazon en Venezuela.

La monisima Nina Margie Riva, hija de Maggie y Carlos Riva, regresó a Belle Glade, despues de pasarse un mes de temporada en Puerto Rico, en casa de los Carritos y Maria Gomez, y sus primos Josie, Lila, Lena y Mari-Lu.

El Dr. Oton Socarras, es vecino reciente de Belle Glade, con su esposa Maria Gonzalez de Armas, y sus hijos Marianne, Deborah y Juan. El Dr. Socarras es dentista del Correccional Institute.

La familia de Aleitta Meneses y Jorge Rodriguez Tabernilla, de Belle Glade, y sus siete hijos, han trasladado su residencia para Hialeah, Florida.

Muy buena suerte les deseamos en su nuevo hogar.

La Sra. Elvira Roca de Zequera vino desde Venezuela a pasarse un mes en Belle Glade, con sus sobrinos Nena y Enrique Puig.

Al termino de su estancia, la monisima Vivian Puig acompaña a su tía a Miami, hasta su regreso a Venezuela.

El dia 30 de Agosto se celebra la festividad de SANTA DE LIMA, y no nos olvidamos de la linda Rosa Elena Garcia Iniguez, Rosita Martinez Cabrera, Rosa Nash y Maria Rosa Larrondo en la Habana, Rosa Martel.

Además a todas las personas con el nombre de la linda flor, muchas felicidades.

El lunes 15 de Agosto vinieron a comer a Belle Glade, a casa de Emma y Antonio Pereira, el Dr. Eduardo Rexach, profesor de Espanol en un College en New York, acompañado de su esposa Dalia Cabrera, quienes estan pasando el mes de Agosto en Miami. Tambien saludaron en Belle Glade, a su amigo Ramiro Fernandez.

Despues de pasar un mes de vacaciones en Barcelona, Espana, visitando a sus padres y familiares, se encuentra ya de vuelta en Miami, el Dr. Rafael Fernandez Ruenes y su esposa Ana. Fueron recibidos por sus hijos Margarita y Pablo Cano, y sus nietos Lizzie y Pablo Daniel.

El domingo 29 cumple ocho años Enrique Puig Jr.

hijo de Nena y Enrique Puig, y celebrara su cumpleaños con los Cub Scouts, en casa de la Den Mother, Mrs. Ginny Bryant, madre de los Cub Scouts: Ronnie y Donnie Bryant.

El dia 1 de Agosto fue operado de amigdalitis por el Dr. Soto, en el Belle Glade Hospital, el niño Pío del Mendiguer, hijo de Cachita y Jon Mendiguer y ya se halla de vuelta en su casa, pasando una semana en reposo.

El dia 20 de Agosto el Dr. Alfredo Pereira y su esposa Maria Elena, vecinos de Miami, salieron para pasarse dos semanas en las montañas de Carolina del Norte. El sabado anterior su hija quince años con una fiesta en los pargines de su casa, donde se reunieron numero teenagers que bailaron con el tocados.

El jardin muy lindo adornado, 12 mesetas con sus mantes rosados, ramos de flores y velones color de rosa. Celebró su cumpleaños, tanto a su abuelo Santiago Suarez quien llegó de Mejico la semana antes, sus tios Vicente del Real y Sra. Lalo Suarez y Sra. Margot Perkins de Suarez con sus hijos, Emma y Antonio Pereira, Tati Bonnet y Sra. Dr. Alberto Borges y su esposa Ofelia, Dr. Mario Garcini y Ofelia Freixas, Rafael Palacios y Gloria Capablanca, Dr. Pastor Lagueruela y su esposa Raquel, Mayra Solano y el Dr. Alfonso Ledo, Alicia Hogwood, Jose Miguel Morales Gomez y Gloria Garmendia, Josefina Guzman y Luis Arroyas, la Sra. Vda. de Rueda, Rafael Hidalgo y su esposa, Ricardo Viurran, su esposa Berta, y Dennis Perkins.

La semana entrante daremos la relacion de los teenagers, con la foto de la linda Marilyn.

Miguel Herrero con su esposa y su talentoso hijo se halla en Miami, y el Club Intimo esta entusiasmado para contratar su actuacion en el Show. Al final de agosto, el Intimo presenta al gran tenor cubano Manolo Alvarez Mera.

Chucho Alvarez, cantante Cubano que llega hace dos meses de Cuba debutó con gran éxito en el Intimo de Miami Beach, hace dos semanas.

Nos cuenta que la vida nocturna de la Habana ha desaparecido casi en su totalidad.

Y la ultima noticia culinaria en Cuba es: tortilla de mango, debido a que sus ingredientes en realidad abundan allí.

De la Farandula, en Miami.

La familia de Aleitta Meneses y Jorge Rodriguez Tabernilla, de Belle Glade, y sus siete hijos, han trasladado su residencia para Hialeah, Florida.

Muy buena suerte les deseamos en su nuevo hogar.

Este año sere diferente para la matricula de High School, y todos aquellos cuyos nombres estan anotados recibirán por correo su itinerario de clases, no teniendo necesidad de matricularse de nuevo. Los nuevos estudiantes deben reportar al High School Cafeteria 9:30 a 12, y a 3 p. m. hoy jueves.

El dia 10 de Septiembre se espera en Belle Glade el Kissimmee Boat-a-Cade y la Belle Glade Marina esta haciendo un Pabellon con columnas y soportes, además de un techo de metal. El Lake Okechobee ha probado ser un gran area de recreo.

Mrs. John F. Kennedy y sus dos hijos, John-John de 4 años, y Caroline de 7 años, salieron esta semana de su hogar de verano en Cape Cod, en su visita anual a Newport, R. I., que los niños hacen a sus abuelos Mr. & Mrs. Hugh D. Auchincloss en Hammersmith Farm.

De la Farandula, en Miami.

Miguel Herrero con su esposa y su talentoso hijo se halla en Miami, y el Club Intimo esta entusiasmado para contratar su actuacion en el Show. Al final de agosto, el Intimo presenta al gran tenor cubano Manolo Alvarez Mera.

Chucho Alvarez, cantante Cubano que llega hace dos meses de Cuba debutó con gran éxito en el Intimo de Miami Beach, hace dos semanas.

Nos cuenta que la vida nocturna de la Habana ha desaparecido casi en su totalidad.

Y la ultima noticia culinaria en Cuba es: tortilla de mango, debido a que sus ingredientes en realidad abundan allí.

De la Farandula, en Miami.

La familia de Aleitta Meneses y Jorge Rodriguez Tabernilla, de Belle Glade, y sus siete hijos, han trasladado su residencia para Hialeah, Florida.

Muy buena suerte les deseamos en su nuevo hogar.

La Sra. Elvira Roca de Zequera vino desde Venezuela a pasarse un mes en Belle Glade, con sus sobrinos Nena y Enrique Puig.

Al termino de su estancia, la monisima Vivian Puig acompaña a su tía a Miami, hasta su regreso a Venezuela.

El dia 30 de Agosto se celebra la festividad de SANTA DE LIMA, y no nos olvidamos de la linda Rosa Elena Garcia Iniguez, Rosita Martinez Cabrera, Rosa Nash y Maria Rosa Larrondo en la Habana, Rosa Martel.

Además a todas las personas con el nombre de la linda flor, muchas felicidades.

El lunes 15 de Agosto vinieron a comer a Belle Glade, a casa de Emma y Antonio Pereira, el Dr. Eduardo Rexach, profesor de Espanol en un College en New York, acompañado de su esposa Dalia Cabrera, quienes estan pasando el mes de Agosto en Miami. Tambien saludaron en Belle Glade, a su amigo Ramiro Fernandez.

Despues de pasar un mes de vacaciones en Barcelona, Espana, visitando a sus padres y familiares, se encuentra ya de vuelta en Miami, el Dr. Rafael Fernandez Ruenes y su esposa Ana. Fueron recibidos por sus hijos Margarita y Pablo Cano, y sus nietos Lizzie y Pablo Daniel.

El domingo 29 cumple ocho años Enrique Puig Jr.

El dia 26 de Agosto de matricula en Belle Glade y Gove Elementary Schools. Este año sere diferente para la matricula de High School, y todos aquellos cuyos nombres estan anotados recibirán por correo su itinerario de clases, no teniendo necesidad de matricularse de nuevo. Los nuevos estudiantes deben reportar al High School Cafeteria 9:30 a 12, y a 3 p. m. hoy jueves.

New Manager

At Grant's

Newcomers to Belle Glade are Mr. and Mrs. George Nielson, originally from Winter Haven, Florida, who are moving here from Miami.

Mr. Nielson is the new manager for W. T. Grant Store and formerly managed the Cutler Ridge store in Miami. He has been associated with the Grant Company for three and a half years.

Mrs. Nielson will arrive next week, when the home they will occupy on 13th Street is available. The young couple are members of the Methodist Church.

Former Grant manager, Tom Hedges, has been transferred to Cocoa Beach.

In 1964, the out-patient clinics at the Teaching Hospital of the University of Florida's J. Hillis Miller Health Center were visited by 87,995 people.

A Family Treat

There is something of interest for every member of the family at Florida's Sunken Gardens where in addition to the outstanding display of plants and flowers, many exotic and native birds can be seen. "Donald Duck" is always an attraction for young and old alike.

Floridians Move Savings In And Out

During the first seven months of 1965 savers added over \$1 billion — \$1,387,427,000 to be exact — to the savings accounts of Florida's 135 savings and loan associations.

This information was released today by William D. Hussey, executive vice president of the Florida Savings and Loan League.

In this same period, however, the Florida League executive reported that savers withdrew \$1,008,925,000 for various purposes leaving a net increase in their savings balance of \$178,502,000 through July of this year. This savings increase was achieved despite the fact that during the month of July savings decreased by \$19,188,000. Seventy-five (75), or 55.8 percent, of Florida's 135 associations recorded decreases in savings during July.

As of the end of July, the 135 savings and loan associations in Florida had total assets of \$5,598,703,000 and total savings of \$4,830,783,000, which is represented by 1,710,000 savings account holders.

Fall Fabrics Have New Look

Fall fabrics have a new look. Their fiber content is hard to identify, unless you read the label, says Miss Elizabeth Dikenson, clothing specialist, Florida Agricultural Extension Service.

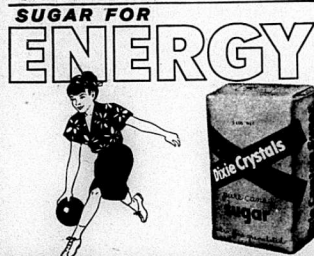

Nylons, silks, acrylics, & cottons are disguised with coatings, bondings, and new kinds of knitting processes to give them this new look. Take nylon. This year it's textured to give it the look of silk. Nylon bonded to cotton tricot produces effects which resemble silk prints.

Swiss dot flocking adds, and blanket-check patterns.

"loft" and softens colors in nylon tricot. Tricot with a satin backing made from nylon has a crepe-like look with a rich, opaque appearance.

A polymeric coating is being used on 100 per cent cotton to make it look like leather. Its weight, construction, and leather colors give this fabric the appearance of the real thing.

A blend of Antron and Orlon acrylic fibers lends a frosty look to jersey. Other acrylic fiber fabrics resemble wools and worsteds in tartan plaid, herringbone, and blanket-check patterns.

Aug. 28, 1965. THE HERALD, Belle Glade, Fla. Page 8B

With the construction and feel of woolsens, these fibers are wrinkle-resistant, permanently pleated, and completely washable.

A cotton-blend pique has been developed with its texture woven in for permanence, instead of just stamped on the surface.

PB Jr. College Freshmen Make A "Biggest Crowd"

The vanguard of the largest student enrollment in history arrived on campus at Palm Beach Junior College Monday for Freshman Orientation programs.

Department heads met more than 500 incoming students today, giving brief talks outlining their departmental programs and setting up counseling sessions for faculty members during the remainder of the week.

Each morning through Thursday the program will be repeated for a new group of incoming students until the 2,336 day students who have been accepted for entrance this year have had an opportunity for orientation and pre-registration counseling. In the afternoon the new students will meet student government officers and representatives of college publications, social clubs, honor societies and interest and service clubs.

Registration for these students and for evening students is set for Monday, August 23, through Thursday.

August 26. First classes are Friday, August 27.

Total student enrollment is expected to soar well past the 3,623 of last year to a figure close to, or even exceeding 5,000, according to Dr. Harold C. Manor, President.

"The size of the increase we are almost certain to have is much greater than anticipated," Dr. Manor said. "Provision for proper teaching and administration for this large increase will be made."

Quida Lanier Receives Masters Degree

Miss Quida Lanier, daughter of Mr. and Mrs. R. W. Lanier, was awarded her Masters Degree in Education at Emory University, Atlanta, Ga., last Saturday. Quida has already been employed by the Atlanta Speech School and will take up her new work immediately.

Wirtz Appoints Chmn. Of Staff

Miss Dianne McKaig has been appointed chairman of the US Department of Labor's Regional Staff, in Atlanta, according to an announcement by Secretary Wirtz.

The lady is a lawyer, has her Master's from Harvard and practiced law in Boston. She's undoubtedly well qualified to make high echelon decisions on southern labor problems.

The University of Florida's College of Medicine in the J. Hillis Miller Health Center, which received its first students in 1956, graduates some 50 medical doctors each year, following a four-year, post-college program.

Activities, Events Of Our Latin Neighbors.....

Repeated requests from many of our readers have been received that news items about "Latin Colony" be also published in English. "So many of these people are our close friends and neighbors and we can't read Spanish."

Frank and Alejandro Robles, Manolo Hernandez and several others.

Alicia Meneses and Jorge Rodriguez Tabernilla, from Belle Glade, with their seven kids, transferred their residence to Hialeah, Florida.

The best of luck we wish them in their new home.

Mrs. Elvira Roca de Zequeira came from Venezuela to spend a month in Belle Glade, with her niece Nena and Enrique Puig. At the end of her stay, cute Vivian Puig accompanied her to Miami till her return to Venezuela.

On August 30th the festivity of SANTA ROSA DE LIMA takes place, and we do not forget pretty Rosa Elena Garcia Iniguez, Rosita Martinez Cabrera, Rosa Nash and Maria Rosa Larrondo. In Havana, Rosa Mariel.

And for everyone bearing the name of the lovely flower, our congratulations.

Monday, August 16th, on their way to Miami from Little Rock, Arkansas, Cuiqui and Kiko Villan with their kids Maria Eugenia, Jose Ramon and Augusto made a stop at Belle Glade at Teresita and Ramon Gomez home. They are headed for Miami, for their sister's wedding Irene Villan Sorzano, whose marriage to Rodolfo Hernandez Quintero is set for next Saturday the 28th of August 12 noon, at Little Flower Church in Coral Gables.

The bride is daughter of Elodia Sorzano, widow of Jose Ramon Villan. And the groom is son of Eumelia Quintero and Rodolfo Hernandez Lasarte.

For Irene's wedding, her brother Leo is coming from New Orleans, and Andres from New York, with their respective families. And in Miami is her brother Hno. Jose Ramon Villan, a La Salle brother priest. Their sister Loli is a nun at the Sacred Heart Convent in Venezuela.

Cute young girl Margie Riva arrived Wednesday the 18th of August at Belle Glade, after spending a month's vacation in Puerto Rico, at her aunt's home, Carlotto and Maria Gomez, and in her cousins Jose, Lila, Lena and Mari-Lu company.

Pretty Silvia Maria Puig, was 15 years old last month she is Silvia Cano de Puig's daughter, both photographed here, and Guillermo Puig. They live actually in Bayamon, Puerto Rico, with their other children Billy, Ricky and Roberto, who will study at OUR LADY HELP OF CHRISTIANS Academy, in Tampa.

In Puerto Rico, Guillermo owns THE CAPORAL business.

A very nice group of married couples formed a reunion at Margot and Ramon Acosta's home. Among them were Aida and Rafael Suarez, Luly and Coky Cano, Mariana and Mario Garcia, Teresita and Ramon Gomez.

They ate very nice finger "meat pies," some salties and delicious drinks.

Tuesday, August 17th in the night took place a farewell party for Ana Maria and Mariana Ramirez, at the Webb residence. Angelita and Manolo Ramirez, with their family, are changing their residence to the State of Kentucky, where Manolo has been appointed Spanish teacher for the University. In Kentucky also lives his mother and a sister with her family.

The attendance at the party were: Lourdes Corona, Olga Maria and Mariabel Espallargas, Dulce Tarafa, Alicia Bryans, Margarita and Cloti Eguizabal, Maria Adela Iglesias, Mari Rubiales, Sarita Fernandez, Carmen de la Mata and Rebeca Miranda.

The boys: Freddy and Phillip Webb, Eduardo Sanchez, Robert Bryans, Enrique and Federico Miranda, Hector Ortiz, Jose Luis Larrondo, Lou Betner, Don Wilkinson, Johnny Dell,

rides Cervera, Margarita Bastanuri, Isabel Gonzalez Azcu, Tina White, Midele Lee, and July Clark. Present there were also her sister Maria, and grand mothers, Nini Rivero, Concha de la Vega, and Cristina Hdez. Miro.

Her mother Maria Luisa made two lovely cakes, & they ate sandwiches, meringue and cokes.

Sarita Y. Hernandez and Howard Hadley got married at Miami Springs. The bride is Mr. and Mrs. Peter Hernandez's daughter, from Mt. Rainier, Md., graduate of Washington High School and the American Institute of Banking. The groom is Mrs. Dorothy Hadley's son, from Miami Beach, graduate from the School of Law of Florida University, and he served in the U. S. Navy.

After a trip to the Gulf Coast, the newlyweds will live in Miami.

Attention!!!

All Parents

Grove Elementary School will have special tables for registration of PTA membership on school registration day August 26.

Family membership is \$1.00. Individual parents membership, 50 cents each. All parents are urged to register for PTA membership at this time and lessen confusion and delay at your first PTA when teachers will be welcomed.

Flu Shots given early Do Help

There were almost five times as many flu cases in Florida this past season compared with that of last year and the State Board of Health says indications are for as many or even more the coming season.

Consequently, said Dr. Wilson T. Sowder, state health officer, inoculations should be taken no later than September because the vaccine takes two to four weeks to become effective. He said one shot should be taken certainly, but that two—two months apart—would be more effective.

The vaccine might not prevent a case of flu, but would most certainly lessen its severity, he said. A single booster would be sufficient if you're had a two-shot series within the past year, he added.

Immunization is especially recommended for the high-risk groups: persons suffering chronic diseases; persons under 5 and over 45, especially those over 65; and pregnant women.

Dr. Sowder said the vaccine will do no good if you've already contracted the disease.

The immunization is good but not perfect. Tests have shown it to be 60 to 80 per cent effective. One trouble is that flu viruses tend to change from time to time, thus making ineffective.

The coming year, a vaccine which is effective this year.

He said the vaccine viruses are produced in eggs and so persons overly sensitive to eggs or egg products might have to forego the immunization.

"There's no specific treatment for flu," Dr. Sowder said, "If you get it, consult your doctor and take good care of yourself because it could lead into pneumonia. Best treatment is bed rest, good food, plenty of liquids and aspirins or nose drops to relieve discomfort."

During the last flu season, mainly the colder months, nearly 10,000 cases were reported against 1,900 the season before. Dr. Sowder said this would not represent all cases since many are not reported.

DR. SOCARRAS and family

With great pleasure we bring Dr. Oton Socarras' photo, recent resident of Belle Glade, with his wife Martha and children Mari-

anne, Deborah and Juan. Dr. Socarras is the dentist of the Correctional Institute.

Tricks For Home Sewers

By Betty Woolfe
Asst. Co. Ext. HDC Agent
You don't have to be a magician to work magic tricks at your sewing machine. There are tricks of the trade that help you turn out professional looking garments quickly.

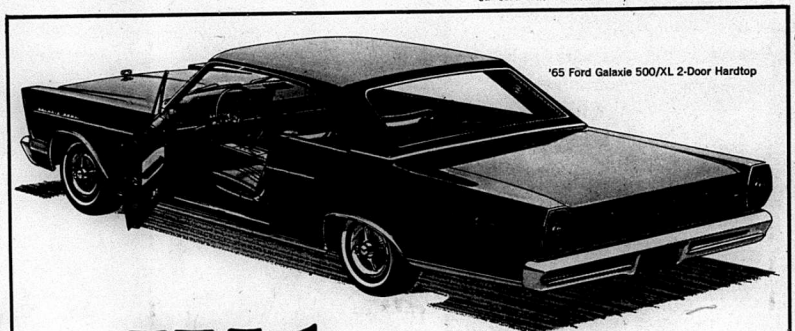

Do as the manufacturers do—press baste. Yes, press your darts instead of basting. A fold line placed in the center of the dart will hold it in place for you to stitch from the fabric edge to the point. Pressing, instead of basting works beautifully to prepare waistbands and pockets for edge stitching, too. The seam allowance is folded over and pressed in place, giving a sharp edge for stitching.

Home sewers may also turn bias covered cord for "spaghetti" straps or rope belting quickly. Cut cable cord twice the length of the bias you wish to cover. Fold the bias over one end of the cord sewing with a cord foot close to the cord. At the end of the bias, sew the bias to the cord. Draw the end of the uncorded cord out of the bias,

turning the bias inside out and automatically covering the other end of the cord. Much faster than hand lacing or slip-stitching facings is the new method of understitching to hold facings in place. Understitching insures a finished edge that remains sharp and crisp and reinforces the seam for machine washing. From the right side of the facing stitch the facing to the seam allowance close to the seam line, catching in the seam to the point. Pressing, instead of basting works beautifully to prepare waistbands and pockets for edge stitching, too. The seam allowance is folded over and pressed in place, giving a sharp edge for stitching.

Home sewers may also turn bias covered cord for "spaghetti" straps or rope belting quickly. Cut cable cord twice the length of the bias you wish to cover. Fold the bias over one end of the cord sewing with a cord foot close to the cord. At the end of the bias, sew the bias to the cord. Draw the end of the uncorded cord out of the bias,

On an average day at the Teaching Hospital of the University of Florida's J. Hillis Miller Health Center, 300 patients occupy beds & an additional 260 visit the out-patient clinics.
